ABSTRACT............................................................................................................i
DECLARATION..................................................................................................ii
PREFACE...........................................................................................................iii
ACKNOWLEDGEMENT....................................................................................iv
BIOGRAPHY......................................................................................................vi
CONTENTS..........................................................................................................vii
LIST OF TABLES ...............................................................................................x
LIST OF FIGURES .............................................................................................xi
LIST OF APPENDICES .......................................................................................xii
CHAPTER I ..................................................................................................1
INTRODUCTION ..................................................................................................1
  A. Background..................................................................................................1
  B. Research Questions....................................................................................3
  C. The Purposes of the Research....................................................................4
  D. The Significances of the Research............................................................4
  E. Rationale .....................................................................................................5
  F. Hypothesis ..................................................................................................8
  G. Research Methodology ................................................................................8
     1. The Method of the Research .................................................................9
     2. Research Site .........................................................................................9
     3. Population and Sample .......................................................................10
     4. Research Instruments .......................................................................10
  H. Data Analysis ................................................................................................12
     1. Validity Test ........................................................................................12
     2. Mean Analysis ....................................................................................13
     3. Normality ............................................................................................13
     4. Significance of the Result ................................................................15
CHAPTER II ..........................................................................................................19
REVIEW OF RELATED LITERATURE ................................................................19
  A. Writing for EFL Students .........................................................................19
     1. Process of Writing .............................................................................19
     2. Function of Writing ..........................................................................21
  B. Building Sentence Structure in writing ..................................................22
     1. Subject + Verb (Intransitive) ...............................................................22
     2. Subject + Verb (transitive) + Direct Object .....................................22
CHAPTER III

RESULT AND DISCUSSION

A. General Description of Research Location
B. The Research Process
C. Data Analysis
D. Discussion
E. Closing Remark

CHAPTER IV
CONCLUSIONS AND SUGGESTIONS ................................................................. 55
  A. Conclusions .......................................................................................... 55
  B. Suggestions .......................................................................................... 56
REFERENCES ............................................................................................... 58
APPENDICES ................................................................................................. 62
