DAFTAR ISI

ABSTRAK

KATA PENGANTAR .................................................................................................................. i

DAFTAR ISI ........................................................................................................................... iii

DAFTAR TABEL ....................................................................................................................... vi

DAFTAR GAMBAR .................................................................................................................. vii

BAB I PENDAHULUAN

1.1 Latar Belakang Masalah ................................................................................................. 1

1.2 Identifikasi Masalah ........................................................................................................ 6

1.3 Rumusan Masalah .......................................................................................................... 7

1.4 Tujuan Penelitian ........................................................................................................... 7

1.5 Kegunaan Penelitian ..................................................................................................... 8

1.6 Kerangka Penelitian ..................................................................................................... 8

1.7 Hipotesis ......................................................................................................................... 11

BAB II TINJAUAN PUSTAKA

2.1 Penelitian Terdahulu ................................................................................................. 12

2.2 Ojek ............................................................................................................................... 13

   2.2.1 Pengertian Ojek ..................................................................................................... 13

   2.2.2 Ojek Online ........................................................................................................... 18

   2.2.3 GO-JEK ............................................................................................................... 18

   2.2.4 Fitur dan Layanan GO-JEK .................................................................................. 20

2.3 Pertumbuhan Ekonomi ................................................................................................. 21

   2.3.1 Pengertian Pertumbuhan Ekonomi ..................................................................... 21
2.3.2 Faktor-faktor yang Mempengaruhi Ekonomi Modern ......................... 24
2.3.3 Karakteristik Pertumbuhan Ekonomi Modern ......................... 26
2.4 Teori Tindakan Sosial Max Weber .............................................. 26

BAB III METODE PENELITIAN

3.1 Metodologi Penelitian ................................................................. 32
3.2 Populasi dan Sampel ................................................................. 33
3.3 Operasionalisasi Variabel ............................................................. 35
3.4 Skala Pengukuran ........................................................................ 37
3.5 Teknik Pengumpulan Data ........................................................... 38
3.6 Teknik Analisis Data ................................................................. 40
3.7 Tempat dan Jadwal Penelitian ..................................................... 44
    3.7.1 Tempat Penelitian .............................................................. 44
    3.7.2 Jadwal Penelitian .............................................................. 45

BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Gambaran Umum Objek Penelitian ............................................. 46
    4.1.1 Profil Perusahaan .............................................................. 46
    4.1.2 Visi dan Misi Perusahaan .................................................. 49
    4.1.3 Komunitas Gojek Aliansi Sadulur Sukabumi (GASS) .......... 49
        4.1.3.1 Profil Komunitas GASS ............................................... 51
        4.1.3.2 Visi dan Misi GASS .................................................... 51
        4.1.3.3 Logo Komunitas GASS ............................................... 53
        4.1.3.4 Struktur Organisasi Komunitas GASS ...................... 55
        4.1.3.5 Tata cara, Kode Etik dan Aturan Komunitas GASS ...... 57
4.1.3.6 Gambaran Responden ................................................................. 66

4.2 Keberadaan GO-JEK pada Komunitas Go-jek Aliansi Sadulur Sukabumi. .... 67

4.2.1 Hasil Analisis Deskriptif Pengaruh Keberadaan Ojek Online (Go-
   jek) pada Komunitas Go-jek Aliansi Sadulur Sukabumi (GASS) .......... 71

4.3 Peningkatan Ekonomi pada Komunitas Go-jek Aliansi Sadulur Sukabumi..... 76

4.3.1 Hasil Analisis Deskriptif Peningkatan Ekonomi pada Komunitas
   Go-jek Aliansi Sadulur Sukabumi (GASS) ..................................... 82

4.4 Pengaruh Keberadaan GO-JEK terhadap Peningkatan Ekonomi
   Komunitas Go-jek Aliansi Sadulur Sukabumi (GASS) ....................... 86

4.4.1 Uji Validitas .............................................................................. 86

4.4.2 Uji Reliabilitas ..................................................................... 88

4.4.3 Uji Normalitas ..................................................................... 90

4.4.4 Uji Regresi Linier Sederhana................................................. 91

4.4.5 Uji Koefisien Determinasi ..................................................... 94

4.5 Kolerasi Penelitian dengan Teori Tindakan Sosial Max Weber .......... 95

BAB V PENUTUP

5.1 Kesimpulan .............................................................................. 98

5.2 Saran ...................................................................................... 99

DAFTAR PUSTAKA ............................................................................. 101

LAMPIRAN-LAMPIRAN ..................................................................... 103
DAFTAR TABEL

3.1 Operasional Variabel ............................................................... 36
3.2 Skala Likert ............................................................................ 38
3.3 Jadwal Penelitian .................................................................... 45
4.1 Hasil Uji Validitas Pengaruh Keberadaan Go-jek ..................... 86
4.2 Hasil Uji Validitas Peningkatan Ekonomi ................................. 87
4.3 Hasil Uji Reliabilitas Pengaruh Keberadaan Go-jek ................. 89
4.4 Hasil Uji Reliabilitas Peningkatan Ekonomi ............................. 89
4.5 Hasil Uji Normalitas Kolmogrov Smirnov ............................... 90
4.6 Hasil Uji Regresi Linier Sederhana ....................................... 92
4.7 Hasil Uji Signifikansi ............................................................... 93
4.8 Hasil Uji Koefisien Determinasi ............................................. 94
DAFTAR GAMBAR

4.1 Logo Perusahaan ........................................................................................................ 46
4.2 Layanan Go-jek ........................................................................................................... 48
4.3 Logo Dasar GASS ...................................................................................................... 53
4.4 Logo Ciri Khas .......................................................................................................... 55
