KATA PENGANTAR ........................................................................................................ i

DAFTAR ISI ................................................................................................................ iv

DAFTAR TABEL ........................................................................................................... viii

DAFTAR GAMBAR ...................................................................................................... x

BAB I PENDAHULUAN .............................................................................................. 1

A. Latar Belakang Masalah ................................................................................. 1
B. Identifikasi Masalah ....................................................................................... 10
C. Rumusan Masalah ......................................................................................... 11
D. Tujuan Penelitian ......................................................................................... 11
E. Kegunaan Penelitian ..................................................................................... 12
   1. Kegunaan teoritis ....................................................................................... 12
   2. Kegunaan Praktis ....................................................................................... 12
F. Kerangka Pemikiran .................................................................................... 13
G. Hipotesis ......................................................................................................... 16
BAB II KAJIAN PUSTAKA ................................................................. 17

A. Penelitian Terdahulu .................................................................. 17

B. Landasan Teori ......................................................................... 21

1. Administrasi Publik ................................................................. 21
2. Keuangan Daerah .................................................................. 24
3. Penerimaan Daerah ............................................................... 29
4. Pendapatan Asli Daerah ....................................................... 30
5. Pajak Daerah .................................................................... 34
6. Retribusi Daerah ................................................................. 43
7. Kemandirian Keuangan Daerah ........................................... 54

BAB III METODOLOGI PENELITIAN ............................................. 58

A. Pendekatan dan Jenis Penelitian .................................................. 58

1. Pendekatan ........................................................................ 58
2. Jenis Penelitian .................................................................. 59

B. Populasi dan Sampel .................................................................. 59

1. Populasi ........................................................................ 59
2. Sampel ........................................................................ 60

C. Teknik Pengumpulan Data .......................................................... 60

1. Studi Pustaka .................................................................. 60
2. Studi Dokumentasi ........................................................... 61

D. Definisi Operasional Variabel ....................................................... 61

E. Teknik Analisis Data .................................................................. 63

1. Analisis Kuantitatif ............................................................... 63
2. Uji Asumsi Klasik ............................................................... 64

F. Pengujian Hipotesis .................................................................. 69

1. Analisis Regresi Linier Beganda ............................................. 69
2. Pengujian Parsial (Uji t) ....................................................... 71
3. Uji Simultan (Uji F) ........................................................... 72
4. Koefisien Determinasi ........................................................ 74
G. Jadwal Penelitian................................................................. 76

BAB IV HASIL PENELITIAN DAN PEMBAHASAN....................... 77

A. Gambaran Umum Daerah Kabupaten Sumedang .................... 77
B. Gambaran Umum Kantor Badan Pengelolaan Keuangan dan Aset
Daerah Kabupaten Sumedang ...................................................... 81
1. Sejarah BPKAD Kabupaten Sumedang .................................. 81
2. Visi dan Misi BPKAD Kabupaten Sumedang ......................... 82
3. Tugas Pokok dan Fungsi BPKAD Kabupaten Sumedang .......... 82
4. Struktur Organisasi BPKAD Kabupaten Sumedang ............... 85
C. Deskripsi Data Hasil Penelitian ........................................... 86
D. Uji Asumsi Klasik .................................................................. 88
   1. Uji Normalitas .................................................................... 89
   2. Uji Multikolinearitas ........................................................ 91
   3. Uji Autokorelasi .................................................................. 92
   4. Uji Heteroskedastisitas ...................................................... 93
E. Pengujian Hipotesis ............................................................... 96
   1. Analisis Regresi Berganda .................................................. 96
   2. Uji t (Pengujian Parsial) .................................................... 98
   3. Uji F (Pengujian Simultan) ................................................ 102
   4. Koefisien Determinasi ...................................................... 104
F. Pembahasan Hasil .................................................................. 106
   1. Pengaruh Pajak Daerah terhadap Kemandirian Keuangan
      Daerah Kabupaten Sumedang tahun 2012-2017 ................... 106
   2. Pengaruh Retribusi Daerah terhadap Kemandirian Keuangan
      Daerah Kabupaten Sumedang tahun 20012-2017 .................. 107
   3. Pengaruh Pajak Daerah dan Retribusi Daerah terhadap
      Kemandirian Keuangan Daerah Kabupaten Sumedang .......... 108

BAB V PENUTUP ..................................................................... 110

A. Kesimpulan .......................................................................... 110
B. Saran.....................................................................................................................112

DAFTAR PUSTAKA.......................................................................................................113

LAMPIRAN-LAMPIRAN
DAFTAR TABEL

Tabel 1.1 Penerimaan APBD Kabupaten Sumedang Tahun 2012-2017 ........5
Tabel 1.2 Hasil Analisis Rasio Kemandirian Keuangan Daerah Kabupaten Sumedang .........................................................................................7
Tabel 1.3 Kontribusi Pajak Daerah dan Retribusi Daerah Terhadap Pendapatan Asli Daerah Tahun 2012-2017 ............................................8
Tabel 1.4 Capaian Penerimaan Retribusi Daerah Kabupaten Sumedang .......9
Tabel 2.1 Penelitian Terdahulu ..................................................................17
Tabel 2.1 Pola Hubungan dan Kemampuan Keuangan Daerah ..................56
Tabel 3.1 Definisi Operasional Variabel.......................................................62
Tabel 3.2 Nilai Interpretasi Koefisien Determinasi ....................................75
Tabel 3.3 Jadwal Penelitian........................................................................76
Tabel 4.1 Rasio Kemandirian Keuangan daerah .......................................86
Tabel 4.2 Hasil Pajak Daerah ....................................................................87
Tabel 4.3 Hasil Retribusi Daerah ...............................................................88
Tabel 4.4 Hasil Uji Normalitas Menggunakan Kolmogrov-Smirnov Test ....89
Tabel 4.5 Hasil Uji Multikolinearitas ..........................................................91
Tabel 4.6 Hasil Uji Autokorelasi dengan Run Test ..................................93
Tabel 4.7 Hasil Uji Heteroskedastisitas ......................................................94
Tabel 4.8 Hasil Uji Regresi Linier Berganda.............................................97
Tabel 4.9 Hasil Uji Parsial (Uji t) ................................................................. 100
Tabel 4.10 Hasil Uji Parsial (Uji t) ................................................................. 102
Tabel 4.11 Hasil Uji Simultan (Uji F) ............................................................ 104
Tabel 4.12 Hasil Koefisien Determinasi ......................................................... 105
Tabel 4.13 Pedoman Interprenstasi Koefisien determinasi .............................. 105
