BAB II KAJIAN PUSTAKA ........................................................................................... 13

A. Pengertian Pembelajaran SAVI (Somatic, Auditory, Visual dan Intellectual) ......... 13

1. Pengertian Pendekatan Pembelajaran ................................................................. 13

2. Pengertian Pembelajaran SAVI ........................................................................... 14

3. Pengertian Pendekatan Pembelajaran SAVI ....................................................... 17

4. Karakteristik Pendekatan Pembelajaran SAVI ................................................... 20
5. Prinsip-Prinsip Tahapan Pendekatan SAVI .................................. 20
6. Kelebihan dan Kekurangan Pendekatan SAVI .......................... 23
B. Hasil Belajar Kognitif ................................................................. 24
   1. Pengertian Hasil Belajar .......................................................... 24
   2. Macam-Macam Hasil Belajar .................................................... 26
   3. Indikator Hasil Belajar ........................................................... 27
   4. Faktor-Faktor yang Mempengaruhi Hasil Belajar .................. 29
C. Ilmu Pengetahuan Alam .............................................................. 30
   1. Pengertian IPA ................................................................. 30
   2. Hakikat IPA .............................................................................. 31
   3. Tujuan, Fungsi dan Ruang Lingkup Pembelajaran IPA .......... 32
   4. Kurikulum IPA di MI Kelas III ............................................... 34
   5. Penerapan Pendekatan SAVI pada Mata Pelajaran IPA .......... 37

BAB III METODOLOGI PENELITIAN ................................................. 40
A. Pendekatan dan Metode Penelitian ........................................... 40
B. Lokasi dan Waktu Penelitian ..................................................... 44
C. Jenis dan Sumber Data Penelitian ............................................. 44
D. Teknik Pengumpulan Data Penelitian ....................................... 45
E. Teknik Analisis Data ................................................................. 51

BAB IV HASIL PENELITIAN DAN PEMBAHASAN ......................... 53
A. Hasil Penelitian ............................................................................ 53
B. Pembahasan Hasil Penelitian ..................................................... 111
BAB V PENUTUP ........................................................................................................... 115
   A. Simpulan ............................................................................................................. 115
