DAFTAR ISI .............................................................................................. xi
DAFTAR TABEL ........................................................................................ xiii
DAFTAR GAMBAR .................................................................................... xv
DAFTAR GRAFIK ...................................................................................... xvi

BAB I PENDAHULUAN ...........................................................................  1
A. Latar Belakang Masalah ........................................................................  1
B. Rumusan Masalah ................................................................................  13
C. Tujuan penelitian ..................................................................................  14
D. Kegunaan Penelitian ............................................................................  14

BAB II KAJIAN PUSTAKA, KONSEP DAN TEORI, KERANGKA
BERFIKIR, DAN HIPOTESIS .................................................................  16
A. Kajian Penelitian Terdahulu ................................................................  16
B. Konsep dan Teori .................................................................................  20
C. Kerangka Berfikir ...............................................................................  68
D. Hipotesis ..............................................................................................  70

BAB III METODOLOGI PENELITIAN ...............................................  73
A. Objek Penelitian ..................................................................................  73
B. Metode dan Pendekatan Penelitian .....................................................  73
C. Jenis Data Penelitian ..........................................................................  74
D. Sumber Data Penelitian ......................................................................  75
E. Operasionalisasi Variabel Penelitian ..................................................  75
F. Teknik Pengumpulan Data Penelitian ........................................ 77
G. Analisis Data ........................................................................... 78

BAB IV HASIL PENELITIAN DAN PEMBAHASAN ....................... 88

A. Hasil Penelitian ........................................................................ 88
   1. Gambaran Umum Perusahaan ............................................. 88
   2. Hasil Uji Statistika ................................................................. 97

B. Pembahasan ............................................................................. 131
   1. Pengaruh Beban Bonus *Wadi’ah* Terhadap Laba Tahun
      Berjalan Setelah Pajak Bersih PT. Bank BRI Syariah Tbk .... 131
   2. Pengaruh Beban Tenaga Kerja Terhadap Laba Tahun
      Berjalan Setelah Pajak Bersih PT. Bank BRI Syariah Tbk .... 133
   3. Pengaruh Beban Bonus *Wadi’ah* dan Beban Tenaga
      Kerja Terhadap Laba Tahun Berjalan Setelah Pajak
      Bersih PT. Bank BRI Syariah Tbk .......................................... 134

BAB V PENUTUP ........................................................................... 137

A. Kesimpulan ............................................................................. 137
B. Saran ....................................................................................... 138

DAFTAR PUSTAKA ........................................................................ 140
