DAFTAR ISI ............................................................................................ viii
DAFTAR TABEL ..................................................................................... xi
BAB I PENDAHULUAN ........................................................................... 1
  A. Latar Belakang ............................................................................... 1
  B. Rumusan Masalah ......................................................................... 4
  C. Tujuan Penelitian ......................................................................... 5
  D. Kegunaan Penelitian .................................................................... 5
  E. Tinjauan Pustaka ........................................................................... 6
  F. Kerangka Pemikiran ..................................................................... 8
BAB II LANDASAN TEORI .................................................................... 11
  A. Mahabbah ..................................................................................... 11
    1. Pengertian Mahabbah ............................................................... 11
    2. Dalil dan Keutamaan Cinta ..................................................... 13
3. Sebab-sebab Timbulnya Cinta .......................................................... 14
4. Tanda-tanda Cinta ............................................................................. 17
5. Tingkatan-tingkatan Cinta ............................................................... 20
6. Alat untuk Mencapai *Mahabbah* .................................................... 21

B. Kecerdasan Spiritual (SQ) ............................................................... 24
   1. Pengertian Kecerdasan Spiritual (SQ) ............................................ 24
   2. Orang yang Memiliki kecerdasan Spiritual (SQ) ............................. 26
   3. Fungsi Kecerdasan Spiritual (SQ) .................................................. 34

BAB III METODOLOGI PENELITIAN ................................................. 40
   A. Metodologi Penelitian ..................................................................... 40
   B. Jenis Data Penelitian ...................................................................... 42
   C. Sumber Data .................................................................................... 45
   D. Langkah-langkah Penelitian ............................................................ 42
   E. Teknik Pengumpulan Data ............................................................... 45
   F. Analisis Data .................................................................................. 48
   G. Lokasi Penelitian ........................................................................... 50

BAB IV HASIL PENELITIAN DAN PEMBAHASAN ........................... 56
   A. Hasil Penelitian ................................................................................ 56
      1. Gambaran Kecerdasan Spiritual Anak usia 5-6 Tahun di RA Madiatul Ilmi ................................................................. 56
      2. Metode mahabbah yang diterapkan dalam meningkatkan kecerdasan spiritual anak di RA Madinatul Ilmi ......................... 61
      3. Implikasi metode *mahabbah* terhadap kecerdasan spiritual anak di RA Madinatul Ilmi ................................................... 70
   B. Pembahasan ..................................................................................... 87
BAB V PENUTUP .............................................................................................................. 92
  A. Kesimpulan ............................................................................................................ 92
  B. Saran.................................................................................................................... 93
