LEMBAR PERSETUJUAN .................................................................................. vii
LEMBAR PENGESAHAN .................................................................................. viii
PEDOMAN TRANSLITERASI ......................................................................... ix
KATA PENGANTAR ......................................................................................... x
DAFTAR ISI ..................................................................................................... xii

BAB I PENDAHULUAN
A. Latar Belakang Masalah .............................................................................. 1
B. Perumusan Masalah .................................................................................. 12
C. Kajian Pustaka .......................................................................................... 12
D. Tujuan Penelitian ..................................................................................... 14
E. Kegunaan Penelitian ................................................................................. 14
F. Kerangka berfikir ..................................................................................... 15
G. Definisi Operasional ................................................................................ 23
H. Langkah-langkah Penelitian ..................................................................... 23

BAB II KERANGKA TEORI
A. Akad .......................................................................................................... 28
   1. Definisi Akad ......................................................................................... 28
   2. Macam-macam Akad ............................................................................. 30
   3. Para pihak dan akibat hukum dalam akad ........................................... 32
   4. Kebebasan Berakad ............................................................................. 44
   5. Akad dalam jual beli .......................................................................... 50
B. Al-‘adah Muhakkamah ............................................................................. 89
   1. Definisi Al-‘adah Muhakkamah ........................................................... 89
   2. Ketentuan-ketentuan Al-‘adah Muhakkamah ...................................... 93
   3. Ruang lingkup Al-‘adah Muhakkamah ................................................. 95
   4. Kaidah-kaidah Al-‘adah Muhakkamah ................................................. 96
   5. Pertentangan dalam Al-‘adah Muhakkamah ....................................... 97
BAB III METODOLOGI PENELITIAN

A. Metode dan Pendekatan Penelitian .........................................................100
B. Jenis Data ........................................................................................................102
   1. Sumber Data ................................................................................................103
   2. Lokasi Penelitian .........................................................................................105
   3. Teknik Pengumpulan Data .........................................................................106
   4. Metode Analisis Data ..................................................................................108
   5. Tahap-Tahap Penelitian ...............................................................................111

BAB IV HASIL PENELITIAN DAN PEMBAHASAN

A. Akad Jual Beli Gambir ..................................................................................112
B. Penerapan Jual Beli Gambir sistem Adat ....................................................130
C. Analisis terhadap Akad Jual Beli Gambir sistem Adat .................................138

BAB V PENUTUP

A. Kesimpulan ......................................................................................................144
B. Saran ...............................................................................................................144
C. Rekomendasi ..................................................................................................145
