   C. Populasi Dan Sampel ....................................................................................................................... 65
   D. Jenis Data ............................................................................................................................................ 69
   E. Definisi Variabel Dan Operasional Variabel .................................................................................... 70
   F. Teknik Pengumpulan Data ............................................................................................................... 79
   G. Metode Analisis ............................................................................................................................... 80
   H. Lokasi Dan Waktu penelitian .......................................................................................................... 89
BAB IV HASIL PENELITIAN DAN PEMBAHASAN ............................................................................. 90
   A. Objek penelitian ............................................................................................................................... 90
1. Sejarah PT.Kahatex................................................................. 90
2. Visi Dan Misi PT. Kahatex....................................................... 90
3. Nilai-Nilai PT.Kahatex............................................................. 91
4. kebijakan.................................................................................. 91
5. Struktur organisasi PT. Kahatex............................................... 92

B. ANALISIS DESKRIPTIK KARAKTERISTIK RESPONDEN........... 92
1. Hasil Penyebaran Kuesioner.................................................... 92
2. Karakteristik Responden Berdasarkan Usia............................ 93
3. Karakteristik Responden Berdasarkan Jenis Kelamin............. 95
4. Karakteristik Responden Berdasarkan Tingkat Pendidikan...... 96

C. Analisis Deskriptif Statistik..................................................... 98
1. Variabel Efikasi diri (x1)......................................................... 98
2. Variabel Motivasi (x2)............................................................ 99
3. Variabel Kinerja (y)............................................................... 99

D. PENGOLAHAN DATA STATISTIK.......................................... 100
1. Tanggapan Responden Mengenai Efikasi Diri.................... 100
2. Tanggapan Responden Mengenai Motivasi....................... 102
3. Tanggapan Responden Mengenai Kinerja............................ 104

E. HASIL PENGUJIAN INSTRUMEN....................................... 106
1. Uji Validitas............................................................................ 106
2. Uji Realibilitas........................................................................ 108

F. HASIL PENGUJIAN HIPOTESIS........................................... 109
1. Uji Korelasi............................................................................ 109
2. Uji Regresi Linier Berganda.................................................. 111
3. Hasil Pengujian Parsial (Uji T)............................................. 113
4. Hasil Pengujian Simultan (Uji F)........................................ 115
5. Hasil Uji Koefisien Determinasi (R^2)................................. 117

G. PEMBAHASAN....................................................................... 118
1. Pengaruh Efikasi diri terhadap Variabel Kinerja Karyawan PT. Kahatex......... 118
2. Pengaruh Motivasi terhadap Variabel Kinerja Karyawan PT. Kahatex........ 119
3. Pengaruh Efikasi diri dan Motivasi terhadap Variabel Kinerja Karyawan PT. Kahatex.............................................................. 120
