HALAMAN PENGESAHAN SKRIPSI ...................................................... ii
ABSTRAK ...................................................................................... iii
KATA PENGANTAR ........................................................................ iv
DAFTAR ISI ...................................................................................... vii
DAFTAR TABEL ................................................................................. x
DAFTAR GAMBAR .............................................................................. xi

**BAB I PENDAHULUAN** ................................................................. 1
A. Latar Belakang Masalah .............................................................. 1
B. Identifikasi Masalah ................................................................. 6
C. Rumusan Masalah ................................................................. 8
D. Tujuan Penelitian ................................................................... 9
E. Manfaat Penelitian ............................................................... 9
F. Kerangka Pemikiran .............................................................. 10
G. Penelitian Terdahulu ............................................................. 14
H. Hipotesis Penelitian ............................................................. 18

**BAB II TINJAUAN PUSTAKA** ......................................................... 20
A. Pasar Modal ............................................................................. 20
B. Saham ..................................................................................... 22
   1. Pengertian Saham ............................................................ 22
   2. Jenis-jenis Saham ............................................................ 22
   3. Harga Saham ................................................................. 27
C. Volume Perdagangan Saham .................................................. 27
D. Annual Report Award (ARA) .................................................. 28
E. Good Corporate Governance .............................................. 30
F. Event Study ............................................................................. 32

**BAB III METODOLOGI PENELITIAN** ........................................... 34
A. Obyek Penelitian .................................................................... 34
B. Metode Penelitian ................................................................. 36
C. Populasi dan Sampel .......................................................... 36
D. Sumber Data ....................................................................... 36
E. Definisi Operasional Variabel ............................................ 38
F. Teknik Pengumpulan Data .................................................... 39
G. Teknik Analisis .................................................................... 40
H. Analisis Deskriptif ............................................................... 40
I. Uji Hipotesis ........................................................................ 41
   1. Pengujian Hipotesis 1 ....................................................... 41
   2. Pengujian Hipotesis 2 ....................................................... 42
   3. Pengujian Hipotesis 3 ....................................................... 42
   4. Pengujian Hipotesis 4 ....................................................... 43
   5. Pengujian Hipotesis 5 ....................................................... 44
   6. Pengujian Hipotesis 6 ....................................................... 44
J. Jadwal dan Lokasi Penelitian ................................................ 45

BAB IV PEMBAHASAN ................................................................ 47
A. Gambaran Umum Perusahaan .............................................. 47
B. Analisis Data ........................................................................ 66
   1. Data Harga Saham ............................................................ 66
   2. Data Trading Volume Activity (TVA) ................................. 69
C. Analisis dan Pengujian Hipotesis ........................................... 71
   1. Hipotesis Pertama .............................................................. 71
   2. Hipotesis Kedua ............................................................... 73
   3. Hipotesis Ketiga ............................................................... 75
   4. Hipotesis Keempat ............................................................ 77
   5. Hipotesis Kelima ............................................................... 79
   6. Hipotesis Keenam ............................................................. 81
D. Pembahasan Hasil Penelitian ................................................ 83

BAB V PENUTUP ....................................................................... 85
A. Kesimpulan ......................................................................... 85
B. Keterbatasan Penelitian ....................................................... 90
C. Saran .................................................................................. 90
D. Implikasi Penelitian ................................................................. 91
DAFTAR PUSTAKA ........................................................................ 92
LAMPIRAN ..................................................................................... 94
