## BAB I PENDAHULUAN ......................................................................................... 1
1.1 Latar Belakang Penelitian .................................................................................. 1
1.2 Fokus Penelitian ............................................................................................... 4
1.3 Tujuan Penelitian ............................................................................................. 4
1.4 Kegunaan Penelitian ....................................................................................... 5
  1.4.1 Kegunaan Akademis .................................................................................... 5
  1.4.2 Kegunaan Praktis ....................................................................................... 5
1.5 Landasan Pemikiran ......................................................................................... 6
  1.5.1 Hasil Penelitian Sebelumnya ..................................................................... 6
  1.5.2 Kerangka Konseptual ............................................................................... 11
1.6 Langkah Penelitian ........................................................................................... 18
  1.6.1 Lokasi Penelitian ....................................................................................... 18
  1.6.2 Paradigma dan Pendekatan ...................................................................... 18
  1.6.3 Metode Penelitian ..................................................................................... 19
  1.6.4 Jenis dan Sumber Data ............................................................................. 20
  1.6.5 Penentuan Informan .................................................................................. 21
  1.6.6 Teknik Pengumpulan Data ....................................................................... 22
  1.6.7 Teknik Penentuan Keabsahan Data ........................................................... 23
  1.6.8 Teknik Analisis Data ................................................................................. 24
  1.6.9 Rencana Jadwal Penelitian ....................................................................... 26

## BAB II KAJIAN PUSTAKA .................................................................................... 27
2.1 Radio Siaran ....................................................................................................... 27
  2.1.1 Definisi Radio Siaran ............................................................................... 27
  2.1.2 Sejarah Radio Siaran ............................................................................... 28
2.1.3 Karakteristik Radio Siaran .............................................................. 30
2.1.4 Kelebihan dan Kelemahan Radio Siaran ........................................ 32
2.1.5 Media Radio Lokal ........................................................................... 34
2.2 Pelestarian Budaya .............................................................................. 36
  2.2.1 Pengertian Budaya .......................................................................... 36
  2.2.2 Fungsi Budaya ................................................................................ 37
  2.2.3 Budaya dan Globalisasi ................................................................. 38
  2.2.4 Budaya dan Media Massa .............................................................. 41
  2.2.5 Upaya Pelestarian Budaya ............................................................ 46
2.3 Bahasa Sunda ......................................................................................... 47
  2.3.1 Pengertian Bahasa Sunda .............................................................. 47
  2.3.2 Perkembangan Bahasa Sunda ....................................................... 48
  2.3.3 Tatakrama Bahasa Sunda .............................................................. 50
2.4 Fungsi Media ........................................................................................ 51
  2.4.1 Fungsi Media Sebagai Informasi .................................................. 51
  2.4.2 Fungsi Media Sebagai pendidikan ................................................ 52
  2.4.3 Fungsi Media Sebagai Kontrol Sosial .............................................. 53
BAB III PEMBAHASAN ........................................................................ 55
3.1 Gambaran Umum Objek Penelitian ..................................................... 55
  3.1.1 Sejarah dan Visi Misi RRI Bandung .............................................. 55
  3.1.2 Makna Logo .................................................................................... 61
  3.1.3 Struktur Perusahaan ...................................................................... 63
  3.1.4 Profil Informan ............................................................................... 64
3.2 Hasil Penelitian ....................................................................................... 65
  3.2.1 Fungsi RRI Bandung dalam melestarikan budaya ......................... 65
  3.2.2 Cara RRI Bandung Memberikan Edukasi Kepada Pendengar ....... 69
  3.2.3 Cara RRI Bandung Menjadi Kontrol Sosial Bagi Masyarakat ....... 72
3.3 Pembahasan Hasil Penelitian ............................................................... 75
  3.3.1 Fungsi RRI Bandung Dalam melestarikan budaya ......................... 75
  3.3.2 Cara RRI Bandung Memberikan Edukasi Kepada Pendengar ....... 77
  3.3.3 Cara RRI Bandung Menjadi Kontrol Sosial Bagi Masyarakat ....... 79
BAB IV PENUTUP ..................................................................................... 81
4.1 Kesimpulan............................................................................................................... 81
4.2 SARAN ....................................................................................................................... 83
DAFTAR PUSTAKA .......................................................................................................... 85
