## BAB I: PENDAHULUAN

- A. Latar Belakang Masalah ................................................................. 1
- B. Rumusan Masalah ........................................................................ 10
- C. Tujuan Penelitian ....................................................................... 11
- D. Manfaat Penelitian ..................................................................... 11
  1. Manfaat Teoritis ......................................................................... 11
  2. Manfaat Praktis ......................................................................... 11
- E. Kajian Pustaka ........................................................................... 12
- F. Metodologi Penelitian ............................................................... 15
BAB II : KAJIAN TEORI

A. Disonansi Kognitif ........................................................................................................23
   1.  Pengertian Disonansi Kognitif .................................................................................23
   2.  Sumber Penyebab Disonansi Kognitif .......................................................................32
   3.  Faktor-faktor yang Mempengaruhi Disonansi Kognitif ...........................................33
   4.  Cara Mengurangi Disonansi Kognitif .......................................................................34

B. Perempuan Berjilbab yang Merokok ..........................................................................38
   1.  Pengertian Perempuan Berjilbab yang Merokok ..........................................................38
   2.  Faktor-faktor penyebab perilaku merokok ..................................................................49
   3.  Tujuan Perilaku Merokok Dikalangan Mahasiswi ......................................................53
   4.  Dampak Perilaku Merokok .......................................................................................55

BAB III : HASIL PENELITIAN DAN PEMBAHASAN

A. Hasil Penelitian ..............................................................................................................62
   1.  Gambaran Umum Objek yang Diteliti .......................................................................62
   2.  Penyajian Data .............................................................................................................63

B. Analisis Deskritif Hasil Penelitian ..............................................................................73
   1.  Disonansi Kognitif Perempuan Berjilbab yang Merokok ............................................73
   2.  Sumber Disonansi Kognitif Perempuan Berjilbab yang Merokok ................................79
   3.  Cara Mengurangi Disonansi Kognitif Perempuan Berjilbab yang Merokok .............83

C. Pembahasan Hasil Penelitian ........................................................................................87
   1.  Gambaran Karakteristik Subjek Penelitian .................................................................93
   2.  Sumber Disonansi Kognitif Perempuan Berjilbab Yang Merokok ..............................96
3. Cara Mengatasi Disonansi Kognitif Perempuan Berjilbab Yang Merokok.....101

BAB IV PENUTUP

A. Kesimpulan..........................................................................................................................105

B. Saran.......................................................................................................................................106
