| APPROVAL FORM | ................................................................. | i |
| BIOGRAPHY | ........................................................................ | ii |
| MOTTO | ........................................................................... | iii |
| ABSTRACT | ........................................................................ | iv |
| ACKNOWLEDGEMENTS | ........................................................................ | v |
| LIST OF CONTENT | ........................................................................ | vii |
| LIST OF TABLE | .......................................................................... | x |
| LIST OF FIGURE | ........................................................................ | xiii |
| CHAPTER 1 | ................................................................................ | 1 |
| INTRODUCTION | ................................................................................ | 1 |
| A. Background of The Problem | ......................................................................... | 1 |
| B. Problem Statement | ........................................................................ | 8 |
| C. Research Objectives | .......................................................................... | 10 |
| D. Research Utilities | ........................................................................ | 10 |
| E. Theoretical Framework | ........................................................................ | 11 |
| F. Research Hypothesis | .......................................................................... | 18 |
| CHAPTER 2 | ........................................................................ | 19 |
| LITERATURE REVIEW | ........................................................................ | 19 |
| A. Theory Description | ........................................................................ | 19 |
| 1. Management | .......................................................................... | 19 |
| 2. Human Resource Management | ........................................................................ | 21 |
| 3. Ethic and Islamic work Ethic | ......................................................................... | 26 |
| 4. Organizational Commitment | ........................................................................ | 31 |
| 5. Organizational Commitment Model | ........................................................................ | 34 |
| 6. Turnover Intention | ........................................................................ | 40 |
# Table of Contents

7 Social Exchange Theory .............................................................................. 44
8 Equity Theory ............................................................................................ 45
B. Earlier Researches.................................................................................. 47

CHAPTER 3 ................................................................................................. 49
RESEARCH METHODOLOGY ...................................................................... 49
A. Research Object ..................................................................................... 49
B. Population and Sample ........................................................................... 49
   1. Population ............................................................................................ 49
   2. Sample ................................................................................................. 50
C. Methodological Research ........................................................................ 50
   1. Variable Operating ............................................................................... 51
   2. Source Of data ..................................................................................... 57
   3. Data Collecting Technique .................................................................. 57
D. Data Analyze Method ............................................................................ 57
   1. Validity test ......................................................................................... 57
   2. Reliability Test .................................................................................... 58
E. Hypothesis Test ....................................................................................... 59
   1. Descriptive Statistic ........................................................................... 59
   2. Correlation Analysis ........................................................................... 59
   3. Simple Linear Regression Analysis ..................................................... 61
F. Place and time ......................................................................................... 62
G. Research Schedule .................................................................................. 63

CHAPTER 4 ................................................................................................. 64
A. General Object Representation ............................................................... 64
   1. Company Profile .................................................................................. 64
   2. Respondent Characteristic .................................................................. 68
B. Result ...................................................................................................... 70
   1. Instrument Test .................................................................................... 70
2. Instrument frequency Analysis ............................................................... 76
3. Descriptive Statistic ............................................................................ 97
4. Hypothesis Testing .............................................................................. 98
C. Description of Study Result ................................................................. 104
  1. Influence Of Islamic Work Ethic on Affective Commitment ............ 104
  2. Influence of Islamic Work Ethic on Normative Commitment .......... 105
  3. Influence of Islamic Work Ethic on Continuance Commitment ....... 106
  4. Influence of Islamic Work Ethic on Turnover Intention ................. 107
CHAPTER 5 ................................................................................................. 108
CONCLUSION AND SUGGESTION .......................................................... 108
  A. Conclusion ...................................................................................... 108
  B. Limitation ..................................................................................... 110
  C. Suggestion ..................................................................................... 110
     5.3.1 Practical Suggestion ................................................................. 110
     5.3.2 Academic Suggestion .............................................................. 111
REFERENCE ........................................................................................... 113
