ABSTRACT

KATA PENGANTAR........................................................................................................ i
DAFTAR ISI................................................................................................................... ii
DAFTAR GAMBAR......................................................................................................... iv

BAB I............................................................................................................................... 1
  1.1 Latar Belakang Masalah.......................................................................................... 1
  1.2 Rumusan Masalah ............................................................................................... 2
  1.3 Batasan Masalah .................................................................................................. 3
  1.4 Tujuan Penelitian ............................................................................................... 3
  1.5 Metode Penelitian ............................................................................................. 3
  1.6 Sistematika Penulisan ....................................................................................... 4

BAB II............................................................................................................................ 5
  2.1 Definisi Graf ........................................................................................................ 5
  2.2 Jenis-Jenis Graf .................................................................................................. 6
  2.3 Terminologi Dasar ............................................................................................. 7
  2.4 Beberapa Graf Sederhana Khusus ...................................................................... 8
  2.5 Pelabelan Graf .................................................................................................... 11
  2.6 Fungsi ................................................................................................................ 12
  2.7 Teori Bilangan ................................................................................................... 14

BAB III........................................................................................................................... 16
  3.1 Pelabelan Kordial Prima Pada Beberapa Graf Yang Dibentuk Dari Graf Bintang .................................................................................................................... 16

BAB IV........................................................................................................................... 91
4.1 Kesimpulan........................................................................................................ 91
4.2 Simpulan........................................................................................................... 91
