MOTO HIDUP

BAB I PENDAHULUAN

A. Latar Belakang ................................................................. 1
B. Perumusan Masalah .......................................................... 6
C. Tujuan ............................................................................. 7
D. Kegunaan Penelitian ......................................................... 7
E. Kerangka Penelitian .......................................................... 8
F. Hipotesis ........................................................................ 18
G. Langkah-langkah Penelitian ............................................... 19

BAB II KAJIAN PUSTAKA TENTANG PENGARUH BIMBINGAN MELALUI TADABUR ALQURAN DALAM MENINGKATKAN SPIRITUALITAS REMAJA

A. Bimbingan Tadabur Alquran

1. Pengertian Bimbingan Tadabur Alquran.......................... 29
2. Tujuan Bimbingan Tadabur Alquran ............................................................ 33

3. Metode Bimbingan Tadabur Alquran ...................................................... 36

B. Spiritualitas Remaja

1. Pengertian Spiritualitas ........................................................................... 47

2. Spiritualitas Remaja ................................................................................ 49

3. Aspek-aspek Spiritualitas ........................................................................ 50

C. Bimbingan Agama Bagi Remaja

1. Bimbingan Agama Terhadap Remaja .................................................... 55

2. Tujuan dan Fungsi Bimbingan Agama Bagi Remaja ............................ 58

3. Perkembangan Agama Bagi Remaja ..................................................... 62

4. Teori-teori bimbingan Agama bagi Remaja .......................................... 70

5. Temuan-temuan penelitian tentang bimbingan agama di kalangan remaja....74

BAB III HASIL PENELITIAN DAN PEMBAHASAN TENTANG PENGARUH BIMBINGAN MELALUI TADABUR ALQURAN DALAM MENINGKATKAN SPIRITUAL REMAJA

A. Gambaran Umum Lembaga Pembinaan Khusus Anak LPKA Kelas II Bandung

1. Identitas UPT ............................................................................................ 77

2. Sejarah Singkat ....................................................................................... 77

3. Visi dan Misi ............................................................................................ 78

4. Struktur Organisasi .................................................................................. 80

5. Keadaan LPKA ........................................................................................ 81

6. Program Pendidikan Dan Pembinaan .................................................... 81

B. Hasil Penelitian Tentang Pengaruh Bimbingan Melalui Tadabur
Alquran Dalam Meningkatkan Spiritual Remaja

1. Bimbingan Melalui Tadabur Alquran di Lembaga Pembinaan Khusus Anak LPKA Kelas II Bandung .......................................................... 84

2. Kondisi Spiritualitas Remaja di Lembaga Pembinaan Khusus Anak LPKA Kelas II Bandung .......................................................... 102

3. Pengaruh Bimbingan Melalui Tadabur Alquran dalam Meningkatkan Spiritualitas Remaja .......................................................... 116
   a. Uji Validitas ........................................................................ 117
   b. Uji Reliabilitas .................................................................... 121
   c. Uji Normalitas ..................................................................... 122
   d. Uji Korelasi Produk Momen ................................................. 123
   e. Uji Regresi Linier Sederhana .............................................. 125
   f. Uji Hipotesis Persial (Uji T) .................................................. 126

C. Pembahasan Tentang Pengaruh Bimbingan Melalui Tadabur

Alquran Dalam Meningkatkan Spiritual Remaja ........................................ 127

BAB IV SIMPULAN DAN SARAN

A. Simpulan .............................................................................. 130

B. Saran .................................................................................. 131

DAFTAR TABEL

Tabel 1.1: Oprasionalisasi Variabel X ................................................................. 15
Tabel 1.2: Oprasionalisasi Variabel Y ................................................................. 17
Tabel 1.3: Interpretasi Koefisien Korelasi ............................................................ 27
Tabel 3.4: Jawaban Pernyataan No. 1 (X1) ......................................................... 85
Tabel 3.5: Jawaban Pernyataan No. 2 (X2) ......................................................... 86
Tabel 3.6: Jawaban Pernyataan No. 3 (X3) ......................................................... 88
Tabel 3.7: Jawaban Pernyataan No. 4 (X4) ......................................................... 89
Tabel 3.8: Jawaban Pernyataan No. 5 (X5) ......................................................... 90
Tabel 3.9: Jawaban Pernyataan No. 6 (X6) ......................................................... 91
Tabel 3.10: Jawaban Pernyataan No. 7 (X7) ......................................................... 92
Tabel 3.11: Jawaban Pernyataan No. 8 (X8) ......................................................... 93
Tabel 3.12: Jawaban Pernyataan No. 9 (X9) ......................................................... 94
Tabel 3.13: Jawaban Pernyataan No. 10 (X10) ..................................................... 95
Tabel 3.14: Jawaban Pernyataan No. 11 (X11) ..................................................... 96
Tabel 3.15: Jawaban Pernyataan No. 12 (X12) ..................................................... 97
Tabel 3.16: Jawaban Pernyataan No. 13 (X13) ..................................................... 98
Tabel 3.17: Jawaban Pernyataan No. 14 (X14) ..................................................... 99
Tabel 3.18: Jawaban Pernyataan No. 15 (X15) ..................................................... 100
Tabel 3.19: Jawaban Pernyataan No. 16 (Y1) ....................................................... 102
Tabel 3.20: Jawaban Pernyataan No. 17 (Y2) ....................................................... 104
Tabel 3.21: Jawaban Pernyataan No. 18 (Y3) ....................................................... 105
Tabel 3.22 : Jawaban Pernyataan No. 19 (Y4) .......................................................... 106
Tabel 3.23 : Jawaban Pernyataan No. 20 (Y5) .......................................................... 107
Tabel 3.24 : Jawaban Pernyataan No. 21 (Y6) .......................................................... 109
Tabel 3.25 : Jawaban Pernyataan No. 22 (Y7) .......................................................... 110
Tabel 3.26 : Jawaban Pernyataan No. 23 (Y8) .......................................................... 111
Tabel 3.27 : Jawaban Pernyataan No. 24 (Y9) .......................................................... 112
Tabel 3.28 : Jawaban Pernyataan No. 25 (Y10) ......................................................... 114
Tabel 3.29 Tabel Penilaian Pernyataan Positif dan Negatif ....................................... 115
Tabel 3.30 Uji Validitas Variabel X (Bimbingan Tadabur Alquran) ......................... 116
Tabel 3.31 Rekapitulasi Hasil Uji Validitas angket Variabel X (Bimbingan Tadabur Alquran) .................................................................................................................. 117
Tabel 3.32 Uji Validitas Variabel Y (Spiritualitas Remaja) ........................................ 119
Tabel 3.33 Rekapitulasi Hasil Uji Validitas angket (Variabel Y) Spiritualitas Remaja .......................................................... 119
Tabel 3.34 Uji Reliabilitas Variabel X (Bimbingan Tadabur Alquran) ....................... 120
Tabel 3.35 Uji Reliabilitas Variabel Y (Spiritualitas Remaja) ..................................... 121
Tabel 3.36 Hasil Uji Normalitas .................................................................................. 122
Tabel 3.37 Uji Korelasi .............................................................................................. 123
Tabel 3.38 Koefisien Korelasi ................................................................................... 124
Tabel 3.39 Uji Regresi Linier Sederhana ................................................................... 124
Tabel 3.40 Uji Nilai Signifikansi ............................................................................... 125
Tabel 3.41 Uji Hipotesis Persial (Uji T) ..................................................................... 125
