The paper entitles “*Ambiguity in the Jakarta Post Weekender*” discusses about ambiguous sentence as grammatical, and lexical. This ambiguity can happen in various situations, either spoken or written. Because of that, the researcher wants analysis kinds of ambiguity in magazine.

In this paper, the researcher proposes two problems: 1) what kinds of ambiguity are there in *The Jakarta Post Weekender*? 2) What are effects of ambiguity into meaning of sentence in *The Jakarta Post Weekender*? The researcher uses data in cover column of *The Jakarta Post Weekender* which publish in June and July in 2012. The researcher uses Stephen Ullmanns theory (1977). The researcher also uses diagram theory by George Yule (2007) which helps the researcher in analyzing grammatical ambiguity.

The data is collected through documentary method, observe, and take notes analyzed with using descriptive qualitative method. Then, the researcher analyzes data where is grammatical and lexical ambiguity. Furthermore, the researcher analyzing the effect ambiguity into sentence meaning based on form of ambiguity founded.

The result show, there are 21 ambiguous sentences consist of four grammatical ambiguities and 17 lexical ambiguities. Whereas the effects of grammatical ambiguity are the meaning of sentence has more than one sentence meaning, each interpretation meanings of sentence are clear and logic and each interpretation meanings of sentence refer to different thing. Whereas the effects of lexical ambiguity are the meaning of sentence has more than one sentence meaning, each interpretation meanings of sentence are clear and logic and each interpretation meanings of sentence refer to same thing.

As a conclusion, this research states that there are two forms of ambiguity in *The Jakarta Post Weekender* based on the research result above. So the effects of ambiguity into sentences meaning are gotten from the effects of grammatical and lexical ambiguity into sentences meaning.

## ABSTRAK

Dian Faelani. 208500390. *Ambiguity InThe Jakarta Post Weekender*. Skripsi, Jurusan Bahasa dan Sastra Inggris, Fakultas Adab dan Humaniora, Universitas Islam Negeri Sunan Gunung Djati. Pembimbing: 1. Dadan Rusmana, M.Ag.; 2. Pepen Priyawan, S.S.

Skripsi yang berjudul “*Ambiguity in the Jakarta Post Weekender*” ini membahas tentang kalimat ambigu, meliputi grammatikal, dan leksikal. Keambiguan ini dapat terjadi di berbagai situasi, baik dalam pengucapan maupun penulisan. Karena itu, oleh sebab itu penulis ingin menganalisis jenis-jenis ambiguitas pada majalah.

Pada skripsi ini, penulis mengajukan dua pertanyaan: 1) jenis – jenis keambiguan apa saja yang ada pada *The Jakarta Post Weekender*? 2) apa akibat ambiguitas terhadap makna kalimat pada *The Jakarta Post Weekender*? Peneliti menggunakan data pada kolom cover pada *The Jakarta Post Weekender* yang terbit pada bulan Juni dan Juli 2012. Penulis menggunakan teori dari Stephen Ullmann (1977). Peneliti juga menggunakan teori dari Gorge Yule (2007) untuk membantu peneliti dalam penganalisisan ambiguitas gramatikal.

Data dikumpulkan melalui metode dokumenter, penelaahan dan pencatatan yang di analisis menggunakan metode deskriptif kualitatif. Selanjutnya peneliti menganalisa akibat ambiguitas terhadap makna kalimat berdasarkan bentuk ambiguitas yang telah didapatkan.

Hasil analisa menunjukkan bahwa terdapat 21 kalimat ambigu yang terdiri dari empat ambiguitas gramatikal, dan 17 ambiguitas leksikal. Dampak dari ambiguitas gramatikal terhadap makna kalimat yaitu; kalimat memiliki makna lebih dari satu interpretasi makna kalimat. Setiap interpretasi makna kalimat, jelas dan logis. Setiap interpretasi makna kalimat, merujuk padahal yang berbeda. Sedangkan dampak dari ambiguitas leksikal, kalimat memiliki makna lebih dari satu interpretasi makna kalimat. Setiap interpretasi makna kalimat, jelas dan logis. Setiap interpretasi makna kalimat, merujuk padahal yang sama.

Sebagaimana kesimpulan, penelitian ini menyatakan bahwa ada dua bentuk ambiguitas di *The Jakarta Post Weekender* berdasarkan hasil penelitian diatas. Selanjutnya, dampak ambiguitas terhadap makna kalimat di dapat dari dampak ambiguitas gramatikal dan leksikal terhadap makna kalimat.
