Title : THE INFLUENCE OF CONTEXTUAL PODCASTS  
ON IMPROVING STUDENTS' LISTENING SKILLS  
(A Pre-Experimental Study at The Second Grade Students of SMK  
Muhammadiyah Kersamanah)

This paper, titled "The Influence of Contextual Podcasts on Improving Students' Listening Skills (A Pre-Experimental Study at the Second Grade Students of SMK Muhammadiyah Kersamanah)," was submitted to State Islamic University Sunan Gunung Djati Bandung in partial fulfillment of the requirements for the Bachelor's degree (S1) in English Language Education. The research presents original findings, with all sources properly cited in accordance with academic standards. The study examines the use of contextual podcasts as instructional tools to improve students' listening skills and contributes to the development of pedagogical strategies in English language education.

The content of this paper has not been submitted for any other degree or qualification at any institution.
