

DECLARATION OF AUTHENTICITY

Name : Priya Sigit Respati
Date of Birth : 27th March 2003
Student's ID : 1212040138
Thesis Title : Evaluating the Learning Objectives in English Textbooks Created By English Education Department Students Using Revised Bloom's Taxonomy Framework

I declare that my thesis, entitled "Evaluating the Learning Objectives in English Textbooks Created By English Education Department Students Using Revised Bloom's Taxonomy Framework ", is an entirely original scientific research project that has never been submitted to obtain an academic degree at any university. It is the product of my ideas, formulations, and research, conducted under the guidance of my supervisory team. No material from other parties has been included in the preparation of this academic work except for the references that I have properly cited in accordance with applicable academic regulations. I submit this thesis as part of the graduation requirements for the Bachelor's degree program (S1) at the State Islamic University Sunan Gunung Djati Bandung.
