Title of the Paper : Gender-Based Student Interaction Patterns In Group Discussion in
EFL Classroom: A Case Study at One Of High School in Bandung, Indonesia

Hereby declare that in the process of preparing this scientific paper, I used Artificial Intelligence (AI) tools as follows:

Categorize	Description	Chapter
Conceptualization	AI assists in brainstorming initial assignment ideas or topics.	Chapter 1
Visualization	AI generates infographics, charts, or diagrams.	Chapter 3&4
Data Analysis	AI reads graphs or explains basic data.	Chapter 3
Writing-Translation	AI is used to translate assignment content.	Chapter 1-4

I declare that the entire content of this work remains the result of my own thinking and personal responsibility, and that the use of AI does not replace the critical thinking and scientific analysis that I have conducted.
