

7. Untuk seluruh sepupu peneliti, *thank you for being the kind of family that never felt just like family, but also my closest friends. Thank you for making every ordinary moment worth remembering.*
8. Untuk Rizka dan Maitsaa, *thank you for being the kind of friendship that time could never take away. Untuk Rizka, thank you for finding your way back into my life after all those years. Untuk Maitsaa, thank you for always making this friendship feel so effortless.* Terima kasih karena selalu mendengarkan, memahami, dan mengingatkan peneliti bahwa jarak dan waktu tidak pernah menjadi penghalang bagi sebuah persahabatan. *I truly couldn't be more grateful to have both of you in my life.*
9. Untuk Micko dan Rifqy, peneliti tidak pernah menyangka bahwa pertemanan ini akan tumbuh sejauh ini. *Thank you for every memory we've created together. Here's to the stories we'll always laugh about someday.*
10. Untuk seluruh teman-teman sekolah peneliti, *thank you for being part of the chapters that shaped who I am today. To my elementary school friends, thank you for proving that some friendships are simply timeless. To my high school girls, thank you for every laugh and every memory I'll always carry with me.* Peneliti akan selalu bersyukur pernah bertemu dan bertumbuh bersama kalian.
11. Untuk setiap orang yang pernah menjadi bagian dari cerita peneliti. *Some people stay, some people leave, but each of them has played a part in shaping the person peneliti is today.*
12. Terakhir, untuk peneliti sendiri, *thank you for making it this far. Every setback, every lesson, and every small step has led you here. Keep becoming the person your younger self would be proud of, and never lose the kindness that has always made you, you.*
