Dear Dr Nuryadin,

We have received the submission entitled: "Preparation and Characterization of Biomass-Derived Advanced Carbon Materials for Lithium-Ion Battery Applications" for possible publication in Journal of Electronic Materials, and you are listed as one of the co-authors.

The manuscript has been submitted to the journal by Dr. Dr Andri Hardiansyah who will be able to track the status of the paper through his/her login.

If you have any objections, please contact the editorial office as soon as possible. If we do not hear back from you, we will assume you agree with your co-authorship.

Thank you very much.

With kind regards,
