This research is designed in a qualitative approach using content analysis method. This research applies theory of types of borrowing word from Hocket (1958), theory of patterns of borrowing words from Sadtono (2004), and theory of semantic changes from Baugh (1993). As the result, from (51 data) borrowing words founded in headlines of *Tribun Jabar* newspaper, the researcher finds three types of borrowing words which are (37) loan words, (11) loan blends, and (3) loan shifts. In addition, the researcher finds five patterns of borrowing words which are (11) total borrowings, (32) partial borrowings, (3) total modification of loan words, (10) borrowing with modified meanings, and (1) partial phrase borrowing. Meanwhile, there is no data that shows newly created words based on loanword. Furthermore, the researcher finds two kinds of semantic changes which are extension meaning and narrowing meaning. There are (4 data) that are considered as extension meaning and (11 data) that are considered as narrowing meaning. Meanwhile, (36 data) are considered as same meaning. The borrowing words in printed mass media such as *Tribun Jabar* newspaper often happens in Indonesia and even have officially become Indonesian vocabulary. There are some words that get semantic changes and some others show the same meaning. It means that the borrowing words from English into Indonesian language are acceptable.

Penelitian ini menggunakan pendekatan kualitatif dan metode analisis konteks. Penelitian ini menggunakan teori tipe kata serapan dari Hocket (1958), teori pola kata serapan dari Sadtono (2004), dan teori perubahan semnatik dari Baugh (1993). Hasilnya ditemukan lima puluh satu kata serapan yang diambil dari *headline* surat kabar Tribun Jabar yang dipublikasikan pada 8 Februari 2020 yang dibagi menjadi tiga kategori yaitu tipe, pola serta perubahan semantic. Peneliti menemukan tiga tipe kata serapan yaitu tiga puluh tujuh *loan words*, tujuh *loan blends*, dan tiga *loan shifts*. Selain itu, peneliti menemukan lima pola kata serapan yaitu tujuh *total borrowings*, tiga puluh dua *partial borrowings*, tiga *total modification of loan words*, sepuluh *borrowing with modified meanings*, and satu *partial phrase borrowing*. Selain itu, peneliti menemukan dua jenis perubahan semantic yaitu *extension meaning* dan *narrowing meaning*. Terdapat empat kata yang diidentifikasikan sebagai *extension meaning,* tujuh kata yang diidentifikasikan sebagai *narrowing meaning,* serta tiga puluh enam kata kata yang diidentifikasikan sebagai *same meaning*. Kata serapan dari media masa seperti surat kabar Tribun Jabar seringkali digunakan dalam Bahasa Indonesia dan bahkan sudah menjadi kata baku. Terdapat beberapa kata yang mengalami perubahan semantic dan adapula kata yang masih memiliki makna yang sama. Artinya, kata serapan dari Bahasa Inggris ke Bahasa Indonesia dapat diterima.
