This research focuses on the discussion about the Expression of Disappointment. This research is motivated by the high interest in literary works, especially popular ones in the form song lyrics. Song Lyrics itself is an expression of someone about something that has been seen, heard or experienced. In expressing his experience, the writer or the creator of the song plays a game of words and language to create attraction and uniqueness of the lyrics. Song lyrics as one of the building elements in a song or music can be categorized as poetry in literary works. There are two problems of the research. First, what types of figurative language expressed in the song lyrics of *Led Zeppelin*. Second, how is the disappointment expressed in the song lyrics of *Led Zeppelin*. In analyzing the data, the researcher classified the figurative language data based on Perrine's theory (1992). Data collection is the process of gathering and measuring information on variables of interest in an established systematic fashion that enables one to answer stated research questions, test hypotheses, and evaluate outcomes. Since the most important is data, it needs to be collected effectively. The researcher found several hints of figurative language in the song lyrics. The kinds of figurative language that happened within the song lyrics are: *Metaphor, Simile, Personification, Paradox, Symbol, Allegory, Hyperbole, Repetition, Irony, Onomatopoeia*.
