Dear Editor
BALTIC Journal

I have read and used scientific articles published in BALTIC Journal.

The performance of the BALTIC Journal was excellent, and the published article helped me conduct research and write scientific articles.

I am Dudang Gojali, Lecturer from Universitas Islam Negeri Sunan Gunung Djati Bandung.

I have completed a scientific article entitled "**The Position of Islamic Law in the Legality of Land Ownership in Indonesia.**"

I hope this article can be published in the BALTIC Journal because there are interesting findings in the scientific article that can become new treasures in sciences, especially in the field of law sciences.

I am willing to go through the review process following BALTIC Journal standards.

Best Regards,

Dudang Gojali
Universitas Islam Negeri Sunan Gunung Djati Bandung

Dear
Dudang Gojali
Universitas Islam Negeri Sunan Gunung Djati Bandung.

Thank you for submitting your manuscript to BALTIC Journal.

We have completed our evaluation, and the reviewers recommend reconsidering your manuscript following minor revisions. We invite your article to send back after addressing the comments below. Please resubmit your revised manuscript by October 14th, 2022 or ask whether an alternate date would be acceptable.

When revising your manuscript, please consider carefully all issues mentioned in the reviewers' comments: outline every change made in response to their comments and provide suitable explanations for any comments not addressed. Please also note that the revised submission may need to be re-reviewed.

To submit your revised manuscript, please log in as an author at this email, and navigate to the "Revision" folder.

BALTIC Journal values your contribution, and I look forward to receiving your revised manuscript.

Editor and Reviewer comments:

Reviewer #1:

1. Elaborate on the legal theories and concepts related to the topic being discussed, so that readers who are not familiar with the topic can understand the article.
2. Select a clear and specific title for the article, so that readers can immediately understand the topic being discussed and the purpose of the research being conducted.
3. Include case examples or case studies to support statements made in the article, so that readers can connect theory with its real-world applications.
4. Use language that is easily understood by the general readership, so that the article does not appear too stiff and complicated.
5. Expand the use of references from recent and relevant sources related to the topic, so that the article has a strong theoretical framework and can support the statements made.
6. Include a clear and concise conclusion about the findings and implications of the research, as well as recommendations for future research.
7. Clarify the use of terminology and definitions related to the topic clearly and in detail to minimize confusion among readers.
8. Explain in more detail the methods used in the research, including data collection processes and statistical analysis, to provide clarity on the validity and reliability of the research.
9. Use tables or graphs that are easy to read and understand to visualize data, so that readers can easily grasp important information.
10. Include a brief summary of the article at the beginning to provide an overview of the topic being discussed and the purpose of the research being conducted.

I hope your team can make improvements as soon as possible and send the revised article again via this email.

Dear

Dudang Gojali
Universitas Islam Negeri Sunan Gunung Djati Bandung.

Thank you for your efforts to make improvements to your article.

Based on Reviewers' considerations, the article has, at some point, increased.

However, you have to improve on a few more points. Hopefully, you are willing to do it.

Please follow the following revision instructions:

#Reviewer 2:

1. Provide more detailed information about the methodology used in the research, including the sampling strategy, data collection methods, and statistical analysis techniques employed.
2. Use more specific and accurate terminology related to the concepts of Islamic law and land ownership, and provide clear definitions of any technical terms used.
3. Make sure that the argument presented in the article is well-structured and logically consistent, with each paragraph contributing to the overall coherence of the paper.
4. Consider incorporating a more in-depth discussion of the historical and cultural context of Islamic law and its relation to land ownership in Indonesia.
5. Ensure that the literature review is comprehensive and up-to-date, covering a wide range of relevant sources from both within and outside the field of Islamic law.
6. Use clear and concise language throughout the article, avoiding unnecessary jargon or overly complex syntax.
7. Provide more detailed explanations of key concepts and arguments, and include supporting evidence and examples to bolster the claims made in the paper.
8. Consider the ethical implications of the research and the potential impact on relevant stakeholders, and address these issues explicitly in the paper.

Articles that have been revised and please send them back via this email.
