Dear Editor  
Jurnal Ilmiah Syariah (JURIS)

We have read and used scientific articles published in JURIS.

The performance of the JURIS was excellent, and the published article helped us conduct research and write scientific reports.

I am Darti Busni representing other authors, a Researcher from Institut Agama Islam Negeri Kerinci, Indonesia

We have completed a scientific article entitled "**Implementation of the Hybrid Contract Concept in Multiservice Ijarah Financing as a Financing Alternative Health Service in the Covid-19 Pandemic.**"

We hope this article can be published in the JURIS because exciting findings in the scientific report can become new treasures in science, especially in health sciences.

I am willing to go through the review process following JURIS standards.

Best Regards,

Darti Busni  
Institut Agama Islam Negeri Kerinci, Indonesia

Editor and Reviewer comments:

Reviewer #1:

1. The abstract has not discussed the research objectives and results, so readers do not understand this journal.
2. The English in parts approaches is incomprehensible, so as a first step, a firm editorial hand would be needed to figure out what needs to be rethought.
3. The literature review has not explained the theories that are related and relevant to the research object and are well related to the study results.
4. The focus of this research can be developed for further study, both in Indonesia and abroad, because the research topic is very relevant to the novelty of others.
5. References are good enough, but we still need to find the latest references so that this research becomes more up-to-date.

I hope you can make improvements as soon as possible and send the revised article again via this email.
