As a consequence, the investigator achieved in order to conclude this uncomplicated thesis entitled "A Conversational Analysis of Flouting Maxim in Ariana Grande's Interview Videos in Zach Sang Show YouTube Channel". May the peace and blessings of Allah be upon forever, the Prophet Muhammad SAW.

The researcher received a lot of help, support, advice, and guidance from numerous people around me while writing this thesis. All of my efforts up to this point have been dedicated to the excellent people who have always been a source of motivation and the reason I persevered in finishing this Thesis. On this occasion, the researcher wishes to convey his heartfelt appreciation to:

1. Prof. Dr. H. Rosihon Anwar, M.Ag., CHS., MCE as the Rector of State Islamic University of Sunan Gunung Djati Bandung.
2. Dr. H. Dedi Supriadi, M.Ag., M.Hum as the Dean of Adab and Humanities Faculty.
3. Mr. Dr. Andang Saehu, M.Pd, Head of English Literature Department and Mrs. Dr. Hj. Ruminda, S.S. M.Hum., Secretary of English Literature Department who gave permission to the researcher to carry out this research.
4. Mrs. Tenny Sudjatnika, M.Ag. and Dian Budiarti, M.A., for the purpose of providing guidance, direction, and instructions for the progression and completion of this research, as well as patience in dealing with me, for as

long as I have been your guided child, the advisors of this research have given their time sincerely to provide these things.

5. Mr. Erlan and Mrs. Fourus, as research examiners in this thesis trial. Thank you for offering feedback and suggestions to researchers to help improve this thesis.
6. All lecturers in the English Literature Department who have provided useful material during the researcher's study in the Department of English Literature.
7. All of the family members, especially my grandmother, Nani, who always listened to her granddaughter complain and gave me her advice.
8. Tuti Sugiharti, my beloved mother, who has always provided the researcher with love and prayers, supporting me in my every choice and decision. As well as always giving me advice and suggestions about what I am facing. Who always made me feel grateful for her. Who never tired to educate me to be an independent and strong woman, just like her.
9. For my father, who has always supported my education and encouraged me to complete this research. For him, I thank you very much for being a tireless father who fights for his children.
10. To all members of Grey's Squad, particularly Resa (Eca), one of the researcher's first female classmates who also became my closest friend during the lecture period. Who has become my roommate, thank you for always being there for me through good and bad times. She is also the one who constantly reminds me to finish this thesis and assists me in providing advice and guidance to the process of working on this task. Yuma and Salsa, you've always been my best friends, you've always made me laugh, and your kindness that I'll never forget.
11. To Liga and Sisil, are two close friends of researcher who are always present to keep researchers entertained. Thank you for being someone

who helps keep me sane during this thesis work period. They are a source of comfort for me.

12. Members of Steve Dorm, namely Maylanda (Mayang) and Anisa (Ica), were my ever-present buddies in Bandung, accompanying me through good and bad times. My comrades-in-arms when we were all finishing this thesis. Who consistently shared guidance when facing challenges.
13. To Faisal, a person I adore and who has become a home for me. Someone I always talk to and complain to, both in good and bad times. Someone who is usually upbeat. Thank you for constantly showing me love, happiness, and assistance with this final effort. As a result, who motivates me to complete this assignment quickly?
14. To someone whom I met on campus and who has since become my best friend, Ricky Aulia. Someone who has always been my companion up to this point. Someone that always surrounds me, gives me advice, and always assists me when I need it. Someone who has been through a lot with the researcher up until this time. Thank you for constantly encouraging and accompanying me throughout my days, and for being someone I already consider to be like my own brother.
15. For the researcher's close pals, Hendie and Nadhila. They are quite nice and cheery folks. Thank you for brightening my days with laughter and mirth. They remind me to always look after myself and motivate me to overcome life's problems, one of which being completing my thesis obligations. May our friendship last a long time.
16. For my two friends who also always help me face difficulties in working on my thesis, Setia (my classmate) and Alief Rahman (my senior). Thank you for being someone who always taught me how to write a correct thesis, who gave me knowledge about scientific writing.

17. Also for all members of the Euphoria class who became friends and witnessed the researcher's journey to date, who also struggled together to complete this research.

18. Finally, I'll speak to myself. Rifka Rantiani Cahyadi, for all of your hard work, as well as your determination and patience throughout the process, is an inspiration to persevere and never give up.

Finally, the researcher wishes to extend gratitude to all the influential individuals who provided assistance throughout the development of this thesis. May Allah bestow blessings upon each of them. The researcher conceded that the thesis was considerably less than flawless. The researcher receptive to criticism and suggestions for improving the theory. The researcher extends sincere apologies to all individuals to whom errors were made during the course of the study. In summary, the researcher holds the belief that this thesis will provide significant value to all individuals with an interest in the transitivity system, including themselves.
